**MEETING LOCATION:** The July 21, 2007 LARG meeting will be at 8:30 a.m. in the Leesburg Holy Trinity Lutheran Church at 605 West Market Street. The church is located at the intersection of Market Street and Catoctin Circle on the west side of town. It is just east of the bypass. From the Bypass, take the Leesburg exit at the west end of town and the church is on the right just past the stoplight. Please enter through the door on the east side of the building where you will see both steps and a ramp by the door.

**July Meeting Plans** – We will get a full report from our 2007 Field Day Chairman, Jeff, **KE5APC**, on the results of the LARG 2007 Field Day operations. Paul, **N4PD**, and Norm, **AI2C**, have been working hard on the logs from Field Day, and we have some preliminary results at this time. It looks like we outdid ourselves from last year and scored over 10,000 total points. We made 1851 CW and 804 fone QSO's and scored many bonus points and multipliers to get us to the final tally. The full report should be up on the LARG web site soon.

**Club News** – Don't forget the Berryville Hamfest on August 5 at the Clark County Fair Grounds in Berryville. LARG usually has a big turnout for this event, so join your friends for a good time. We should have a caravan from Western Loudoun to Berryville leaving early Sunday morning.

**Note** – No Minutes from the June meeting for this month's Newsletter
