Attention: Mr. Gary Quinn
Chairman, LARG

The Reston Bicycle Club thanks the Loudoun Amateur Radio Group (LARG) for the support provided to our 28th Annual Century Bicycle Event. Your contribution of providing communications between the various rest stops and SAG vehicles used during the ride, and in particular, helping in the tracking of riders throughout the ride route was very helpful and very much appreciated.

As a token of our appreciation, please accept the enclosed check for \$700 for your general use fund.

We look forward to your help and support for next year's 29th Annual Century Ride which is anticipated to follow a format and route similar to this year's event. With your support know that it also will be another successful event.

Again, *thanks* for your support.

Sincerely,

Kenneth Thompson
