MEETING LOCATION: The June 19, 2004, LARG meeting will be at 8:30 in the Leesburg Holy Trinity Lutheran church at 605 West Market Street. The church is located at the intersection of Market Street and Catoctin Circle on the west side of town. It is just east of the bypass. From the Bypass, take the Leesburg exit at the west end of town and the church is on the right just past the stoplight. Please enter through the door on the east side of the building where you will see both steps and a ramp by the door.

June Club Meeting Plans – FIELD DAY -- FIELD DAY -- FIELD DAY. With this annual club event just a week away we will be spending the bulk of this meeting making final plans for LARG's Field Day at Banshee Reeks Nature Preserve. FD Chairman, Tom, **NA4MA**, will bring us up-to-date, and has assured us that many operating slots still exist at this year's stations, both SSB and CW. Remember, we are running 5A this year and have to keep all 5 HF stations plus our VHF station on the air for 24 hours!

May - Meeting Report – Tom, **WB3AKD**, reported on the club's successful participation in the Dulles Airport drill held on May 8. Tom also noted that the next LARG balloon launch had been tentatively rescheduled for July 17, in lieu of the scheduled club meeting on that day. Dale, **K3CN**, reported that LARG has collected over \$900 in the fund to help young LARG members, Jacob, **KI4BCQ**, and Dominic, **KI4BCR**, purchase replacement ham radio equipment that was lost in a recent house fire.

Club News - Bill, **WF1L**, reports that the spring LARG Technician class was concluded and that several of the graduates have successfully passed their FCC tests - well done kudos to all, students, instructors, and especially to Bill for organizing our training sessions. Several LARG'ers report that despite the rain and cold that the Dayton HamVention is alive and well and that a good time was had by all! Rumors are that they returned to Loudoun County more heavily laden than when they left, but poorer...
